Mohamed Osman Ali Adam

Computer Science Student

Coimbatore, India, +91 75500 47921 , m.osmanaliadam@gmail.com

PROFILE

My passion for technology began early, as I explored computers and mobile devices, which led me to programming and design. I quickly mastered the basics of C programming and advanced in database technologies. I am dedicated to continuously enhancing my knowledge and skills in technology.

INTERNSHIP Des2024 – Jan2025 AI – Machine Learning - SPHERENEURO AI

I learned Python programming and I build projects such as a shop bill program using PyCharm and IDLE Python.
